recycle for
Brentwood

We've made a change and you're a BIG part of it!

*Instead of residents guessing which week is textile collection, we now offer a **weekly** doorstep donation day to make it easier.*

It's called TEXTILE TUESDAY!

More sustainable

Fewer van journeys = lower emissions and a smaller carbon footprint.

Less waste

We're preventing hundreds of thousands of bags from being sent to households that don't use them. You can use your old plastic shopping bags as well as our blue ones. When you need more bags – contact us.

***This new approach offers a simpler, greener
and more efficient way to donate:***

Once a week – every week – every Tuesday
